To whom it may concern:

I am writing to recommend the services of Royal Papers. We have received excellent service at St. Paul Catholic Church. We have been very happy with Royal Paper's service on our equipment. In addition, the Warewash service also does a wonderful job on our kitchen equipment. We have been using Royal Papers for the past 15+ years, and have always been completely satisfied. They do an excellent job!

We have been very pleased with our Salesman, Curt. He does a wonderful job and provides terrific customer service! He's always willing to work with us on products and is very knowledgeable regarding recommendations.

Royal Paper's products and services have been very reasonably priced and we are extremely satisfied.

I'm happy to recommend the services of Royal Papers. If you have any questions, feel free to contact me.

Sincerely,

Jason O'Dell
