Royal Papers
2701 Hereford St.
St. Louis, MO 63139

I have had a wonderful four year relationship with Royal Papers. Everyone from the people that answer the phones, to the sales representatives and delivery drivers are friendly and helpful. Curt Muelkin has been my sales representative throughout my entire tenure at The Sheldon Concert Hall. He has gone out of his way to learn how our facility operates so that he may provide the best possible service. My crew and I always look forward to his Tuesday afternoon visits. Even when we are bogged down with work, there is always a few minutes to catch up with Curt. We couldn't ask for a nicer and more helpful partner. All of the same things can also be said about our delivery driver Tony. His positivity and outgoing nature are contagious. Regardless of the weather or his own workload, Tony always has a smile on his face and a kind word to share. The Sheldon Concert Hall looks forward to working with Royal for years to come.

Sincerely,

Quintin Reed
Director of Facilities/Event Operations
